Re: **Maranatha Groups (Dinner)**

Message

The last Maranatha meeting for this semester is scheduled for **Wednesday 30 November at 5:00 pm**. There is no scheduled theme for this session; however, you are asked to gather and have dinner as a group. You can go out to a restaurant (each person pays for himself), or have a potluck where everyone contributes something to eat. I ask that the contact person for each group assist in coordinating the gathering. For those groups with outside facilitators, please extend an invitation to him (her) to join you for dinner.
